

# WZC200D & WZC200DII

## Dual-Automatic Sausage Tying Machine

在2012年推出的WZC-200D电动双工位香肠线扎机大获成功之后，威尔美尼于2013年对它进行了全面的升级。这就是WZC-200DI型和WZC-200DII型。

新机器对原有的动作曲线进行了优化，速度相比原来分别提升至原有的133%和210%，达到320个/分钟和500个/分钟的高速，对轴承和连杆的磨损也大大降低。

WZC-200DI型和WZC-200DII型在技术、实用性与价格三方面寻找到了很好的平衡点。每个方面都非常出色，没有任何的短板缺陷。如果你的产品很多，总产量不小，机修很懒……或者你只是需要一款能为你省心干活的线扎机，那么，请选择我们的WZC-200DI型和WZC-200DII型香肠线扎机！

After the success of our two-line electrical sausage tying machine WZC-200D launched in 2012, Wellermini upgraded it in 2013. The upgraded versions are WZC-200DI and WZC-200DII.

We improved the movement curve and increased the speed. The speed of WZC-200DI and WZC-200DII, which is increased by 133% and 210% respectively, is 320 links per minute and 500 links per minute. In addition, the wear of bearings and connecting rods has been greatly reduced.

With the technical advantages and great utility value, WZC-200DI and WZC-200DII have reasonable prices. They are amazing in every aspect. If you have a variety of products, you have a large output, you have a lazy equipment maintainer, or if you just want a good machine to work for you, please take our WZC-200DI or WZC-200DII to your plant.
